The RECALL of 1929

Volume VII, 1929

The Year Book of the Senior Class of the Western Military Academy, Alton, Illinois

FOREWORD

With the hope that this book, commemorating the fiftieth anniversary of the founding of Western may, in the years to come, serve to keep bright the memory of our Alma Mater, we herewith present to the school this, the seventh volume of the

RECALL

DEDICATION

In grateful recognition of his labor and devotion to the school through the years and his deep and friendly interest not only in each cadet who has come under his supervision, but in each one after he has left the institution, we the staff of 1929, dedicate this, the seventh volume of the RECALL, to Major Frank N. Henderson.

The Blue and The Red

Hail, dear old Western's colors proudly flying,
Blue and the Red, we pledge to thee our love.
Dearer to us than crimson deep, or purple,
Guide of our way as true as stars above

CHORUS

Tho' some love the blue and gray,
And others the gleam of gold,
The flash of the green or silver sheen,
Displayed when their flag's unfurled
Whatever the shade may be,
That's out to the breezes spread,
Tho' colors are many, you'll not find that any
Compare with the Blue and Red.

Hail Blue and Red thy sons shall e'er revere thee,
Though from thy halls their paths may lead them far,
Fondly to thee in mem'ry returning,
Loyal and true to thee they ever are.
—Chorus.

THE ACADEMY 1928-29

History

ALTON, ILLINOIS, is located about twenty-five miles north of St. Louis, Missouri, on the hills that slope gently down to the eastern edge of the Mississippi River. Founded in 1817, Alton seemed at one time to have possibilities of surpassing the French settlement at St. Louis in wealth and population; for the people were industrious and the surrounding country was rich and fertile. The Mississippi furnished an avenue of trade to and from the North and the South. Settlers came from both sections. They were naturally divided in their opinions on slavery. Here Lovejoy launched a campaign for universal emancipation, but he soon came to a violent death. On the site of the present city hall, Lincoln and Douglas met in the bitterness of debate. Parts of the walls of the prison that was used for Confederate soldiers still remain.

After the close of the Civil War Alton continued to grow but not as rapidly as St. Louis. Letters were no longer addressed to "St. Louis, Mo., near Alton, Ill." Still, many people came and made homes for themselves in the vicinity or in the town proper. Among these was a gentleman by the name of Bostwick. He had an ambition to establish a pleasing country home. With this object in view he purchased some one hundred and sixty acres about two miles north of the Mississippi River. His choice was a very happy one. The land was rolling, very productive, and possessed of great natural beauty. Orchards were planted, roads were laid out, and in 1832 a country mansion and accessory buildings were constructed on a magnificent scale. Much of the building material was handmade and brought overland from points as distant as Pittsburgh, Pa. This is especially true of the wrought iron front fence which was erected in 1835. The cornerstone at the northwest corner of the Administration Building formerly was a part of the foundation of Bostwick's residence. But when his plans had been accomplished only in part, Mr. Bostwick died, leaving his estate to his family. It continued in their possession until 1855 when it was sold. From then on it changed hands frequently, sometimes serving as a school and sometimes merely as a residence.

EDWARD WYMAN, LL. D.
Superintendent 1870–1888

History

IN 1879, Dr. Edward Wyman, long and favorably known as one of the foremost educators of St. Louis, Missouri, purchased the "Bostwick Place" for the purpose of making it a home school for boys. He made extensive improvements in the building and opened the school in the fall of that year under the name of Wyman Institute. The school prospered under his sole administration until his death in 1888. The spirit and reputation of the institution were carried on during the next four years by Mrs. Edward Wyman. She was ably assisted by Albert M. Jackson, who had served under Dr. Wyman since 1885, and a second resident instructor, George D. Eaton, who was added to the staff in 1889.

The property known as "Wyman Institute" was sold in 1892 by Mrs. Wyman to Willis Brown, a retired banker of Lawrence, Kansas. During his four years of ownership new buildings were erected, nearly doubling the size of the school, and all appointments were modernized. The name of the institution was changed to the Western Military Academy. Both Federal and State governments gave material evidence of their support. The State made the Western Military Academy a post of the Illinois National Guard and the members of the faculty were thereafter commissioned on the staff of the governor with various ranks. Albert M. Jackson continued through this period as principal and George D. Eaton as his first assistant.

In 1896 the ownership passed into the hands of Albert M. Jackson and George D. Eaton. Colonel Jackson continued as president of the academy until his death in 1919, since which time Colonel Eaton has occupied this position.

The entire plant was destroyed by fire in 1903 and was at once replaced by the first of the present group of fireproof buildings which now house the school. More buildings were added as the school grew, and at the end of this long period of successful administration, the modern Western Military Academy was emerged, with an enrollment of 300 instead of 30, and with a complete set of fireproof buildings instead of remodeled dwellings, and with a national reputation instead of a local one.

COLONEL A. M. JACKSON, A. M
Superintendent 1896-1919 - 1888

History

COLONEL R. L. JACKSON, the son of Colonel A. M. Jackson, a graduate of the school, also of Princeton University, and a member of the faculty since 1911, became the principal in 1919. The school continued to enjoy prosperity, more buildings were added, and still higher standards were set and achieved in academic and military departments.

In 1925, Colonel Eaton was relieved of much detail work. Colonel Jackson became the superintendent and Major R. E. Wilkinson became the principal. Major Wilkinson had served as head of the Mathematical Department for twenty-three years and is well qualified in training and experience for his present responsibilities. Major R. S. Eaton is the registrar and a member of the present administrative group. He graduated from Western in 1916, later from Harvard University, and joined the faculty as instructor in mathematics in 1922.

Since 1922, Western has embarked upon a very pronounced building and improvement program. During 1923-'24, Barracks "E" was constructed. A fireproof building, made of stone and brick, and containing thirty-four rooms and two officers' suites, has provided excellent standard equipment as well as a very suitable place for the science department. The entire basement of the building has been equipped into a very modern science laboratory.

In September, 1927, work was begun on the new athletic field. Named in honor of the President of Western, Colonel Eaton, the field is considered to be one of the finest in this part of the country. On commencement day, June, 1928, Eaton Field was formally dedicated.

With the dawn of 1929 came the policy of making a fiftieth anniversary memorial to the progress of a half century of Western activities and growth. The new addition to "C" Barracks added greatly to the comforts of the cadets and the up-to-date equipment of the school. The erection of a new addition to the drill hall has enhanced greatly the facilities for social, athletic and dramatic possibilities. The proposed memorial gateway, a testimonial to the labors and work of Colonel A. M. Jackson and to the men who served during the great war, gives evidence of the marked improvements which the last few years have wrought. With these lasting proofs of progress one well remembers that . . .

Learn that high natures over Time prevail
And feel ourselves a link in entail
That binds all ages past with all that are to be

COLONEL GEORGE D. EATON
Superintendent 1919-1925

The Administration Building

"Look at this
our 'Admin'—
Hunched tree-hidden
near the velvet plain.
Have you seen
the rosy dawn?
Have you seen
the leaden rain
Make it part
of oak and lawn?"

Barracks "A"

"They thronged these halls
and clattered on the stair.
They sang and jested
while soft music low
Played for the silver
swinging shadows
That filled with
memories swiftly go."

The Company Street

"From these, these dear
old halls of ours
An hundred—yes an hundred
lives have sprung,
An hundred—yes an hundred
men well known to fame
And countless others
by all time unsung."

Barracks "E"

"Here lived we Plebs,
and found our life like theirs.
These buildings meant
to us a little more
This heritage is ours
to carry on—
These memories, like theirs,
our golden store."

Academic

"The teachers at Western are men of maturity and years of experience. They are selected because of their personalities as well as their knowledge of their subjects. Their success is measured by their ability to make their subjects interesting to their pupils."

The Class of 1929

A CAREER at Western, all too short, has inspired in us a deep reverence and a true respect for the institution whose heritage we claim. During our past four years, we have noticed Western enter upon the new epoch of service. Fifty years of growth and development have been hers. We are happy that good fortune has granted us the opportunity of being the graduating class of her Fiftieth Anniversary.

A Quarter of a Century Hence

IT has been a long hard trail in the last twenty-five years, since our work at the old Alma Mater was put aside for the more serious job of tackling Ole Man Business. It is now the seventy fifth anniversary of our old school and reasonably enough, it would hardly do to say that any of our class remains so now that I have finished my business life to my satisfaction, I feel that I can relate what has been done during the year 1954. After "enthusing" Bob Smiley and Jimmie Dobyne, the famous flying aces in the Chinese-American war in my project, we left to find what was left of our old class of '29. We departed from St. Louis in a hundred-passenger tri-motored passenger plane for Chicago and after riding for about fifteen minutes on the plane in the deep comfortable seats, we suddenly heard a voice that was familiar to all of us and as we turned we beheld the impressive countenance of I. B. Blumenthal, who was shouting "Last call fo' dinner," and at the same time explaining a menu to an old lady We rushing forward, embraced him wildly and asked him for his life story, but he said there was no story—it was all a sad memory We listened sympathetically as he related how he had failed as a shoe salesman when Jack K. Hecht, one of our old class, invented a tireless roller skate for every-day use.

Inquiring of Tony Voss, our old class treasurer, I was told that he was now the vice-president and treasurer of the Bloch-Voss Jewelry and Stationery Co., and from what we know of their work, the company should be able to pay high dividends. When we arrived in Chicago we stayed at the Ritz-Bordeau hotel, the new ten-million-dollar edifice in the metropolis. As we turned to go to our rooms, we heard our names called by no other than "Rog" Davenport, who is widely known as the syncopation king and whose jazz orchestra, the "Peoria Melody Knights," is considered the best.

Abbot Sherwood, Dale Moody and Skippy Thompson, Chicago racketeers, were found in the audience, enjoying a brief sojourn from hot lead. Brash, ole sonny himself, came forth in his shining "tux" and we thought another business king was humbling our presence, but he calmly greeted us and said, "Your order, please" However, it was only a joke as he turned out to be the manager of the hotel After spending a joyful evening in Chicago, we slipped away to Elgin, of which Chicago is now a suburb, to locate "Buzz" Lowrie and persuade him to join our journey we succeeded in finding him—the world famous authority on religion and morals and also editor of the intellectual guide, the Elgin Herald. Mr Lowrie having enjoyed life to a large extent, decided to go with us and search for our class.

That afternoon we saw a baseball game between the Chicago Cubs and the St. Louis Cardinals—Andros was catcher for the Cubs and Parker was short-stop for the Cardinals. From here, we continued our trip to New York where we failed to see anyone until we were given a ticket, by Murphy, for speeding and then appeared before Circuit Judge Harms for our sentence. Of course he remembered us and let us out of our sentence because he had been an especially good friend of ours at school. Gee, those were good old days—we have to work so hard now—Marks is straining his vocal cords with the New York grand opera and Pollack is perfectly satisfied as "postmaster general" of New York State. Schwartz, a former police commissioner in Chicago, has been promoted to Police Beard president of New York City. Wade was leaving New York the day we arrived to train for his coming race with Naavo Purmi, the great 440-meter runner. Weiss is on his seventh tour of the world, acting as counselor for New Zealand and Australia. Rodenburg is the editor of the foremost aerial paper, the Air Dispatch. Burnstine is now the president of the Commission on Suppressing of Evil in the Malay Peninsula.

After "garnering" this information from Harms and Murphy, we left for Europe in hope of finding some of our "buddies" over there. We arrived in London, where we learned all the tricks of the trade in the get-rich-quick system which was so popular in the States about thirty years ago. One of the most prominent of these salesmen was J. R. Johnston, who dealt in life insurance and also had a Buick agency. At the same time, we found out that we were more nobly represented by Edw. Burnstine, who had uniquely delivered a speech on the suppression of evil. After these incidents, since the time grew heavy on our hands over there, we left for the States and continued straight through to California, but while in Colorado, our train hit a gasoline speed truck and demolished it badly. When we viewed the wreck, we noticed a sign on the side, "Harvey G. Schaub—Gasoline," so we asked the driver where the wholesale plant was and we ran to a farmer and persuaded him to take us there. We found Schaub in his new million-dollar plant and, after an exchange of greetings, he took us over to the house where we met his wife and his sons.

After a little visit we continued our trip. When we arrived in Los Angeles, Dobyne suggested we go to Hollywood and look up some of our old class sheiks. We succeeded in finding Edwards and Stuart in the song and dance number in which they call themselves Fish and Felix. Summers is instructor in the aviation school for actors; those actors pay lost fortunes to learn to fly.

Mills, the Government Game Inspector of Colorado, has a valuable assistant in Houlle, who we all remember because of his horn. Niemann has a monkey farm in Colorado—the project seems to suit Jack fine.

He was so overjoyed to see us that he presented us with a cute little monkey whom he had named after Sonny Brash in remembrance of their good times. Fowler has continued his brilliant work in the business world and his chain of cocoanut stores surpass any other in the country. Templeton is also successful as a manufacturer of sea sleds.

On our return from the west coast, where the sun has too much rouge, we stopped at Miami, Oklahoma, and saw Dale Moody, who had returned from Chicago. Jarrett was overwhelmed with work and could just spare a minute to talk with us because there was another boom for artificial rubber.

We returned home and found Fred Stock conducting a school for girls—sort of a finishing school where they learned to fly and indulged in strenuous athletics. Fletcher has turned out well and now is well-known as a coming billiard champion. Maule, well established as a merchant, is a dealer in live stock and packing wholesale meats.

We did not have to search for "Red" Smith, as he is the lightweight champion of the world and his visits to St. Louis are frequent. In spite of his fame, his welcome to us is always long and sincere.

Heyne is not doing so well—his business with China in the frozen mill products brought to an abrupt halt when the war began, has been picking up, but is not yet satisfactory. Fulmer, the head of a publishing firm, has a market in every quarter of the globe. We also received some distressing notes concerning some of our classmates, but we are certain they are not authentic. However, being highly satisfied in finding over one-fourth of our old class, we decided to resume our search another year.

By the way, I have a bond business with 12 per cent interest. Come on in and we'll talk it over.

The Seniors' Farewell

Good-bye, Western, good-bye good-bye!
Proudly thy colors we wave on high.
We'll ne'er forget thee, on thee we rely;
Good-bye, old Western, good-bye! good-bye!

Good-bye, Juniors and Sophs and Freshies, too.
We have our reasons for not forgetting you!
Take us as patterns in everything you do;
Good-bye, old fellows, adieu! adieu!

Good-bye, teachers, good-bye to all.
Think of us kindly; our good deeds recall
We'll ne'er allow the standard to fall;
Good-bye, old teachers, good-bye to all!

Good-bye classmates! good-bye, good-bye!
Soon we must leave thee with tearful eye.
Long have we loved thee; for thee will we sigh!
Good-bye, old classmates! good-bye, good-bye!

The Honor Graduates

Scholarship and Military Proficiency

Extract from G. O. 70, War Department, Nov. 18, 1913:

"*By the term 'Honor Graduate' is understood a graduate whose attainments in scholarship have been so marked as to receive the approbation of the president of the school, and whose proficiency in military training and knowledge and intelligent attention to duty have merited the approbation of the professor of military science and tactics.*"

Government Inspection

ON March 22nd of last year a notice was received by the P. M. S. and T that Western had earned the distinction of being one of the schools to be inspected by the War Department. The date for this inspection was set for May 5th.

The War Department Board of Inspectors was composed of Major Bonesteel and Major O'Brien. After a brief visit with Colonel Jackson the inspectors started the inspection of the day. Major Bonesteel started at "A" Barracks and Major O'Brien started at "E" Barracks. The condition of the barracks was excellent and reflected the amount of work put on them before the final day.

After this inspection the corps was formed for physical drill in gym shirts and white ducks.

As soon as the uniform could be changed to fatigue trousers and gray shirts the corps turned out for a review and inspection in full field equipment. Following this, "A" Company pitched tents while "B" and "C" gave an exhibition of close and extended order drill.

At 11:30 a formal guard mount ceremony with band was held. "B" Company was divided into old and new guard and distinguished themselves in this phase of training.

At 12 o'clock noon mess was eaten, after which the corps changed from white ducks and fatigue blouses to fatigue trousers and gray shirts. Classes were inspected at this time in mostly practical demonstration work. Just before the close of the classes two companies were ordered to form for field work and left with the inspecting officers for a field problem.

In spare moments the officers had inspected the classroom facilities, storage rooms, armory, and drill hall. The two companies having returned from the field a dress parade with white ducks was held. This parade was followed by the silent manual which received a tremendous ovation.

The inspectors then left and although they said nothing they seemed favorably impressed by the school and the corps of cadets.

Then it came. At the commencement exercises Colonel Jackson announced that he had received a telegram from the War Department congratulating this school for having made the roll of honor schools of this country. The telegram was given to Captain Watson in recognition of his faithful service and hard work in preparing the corps for the inspection.

Inter-Company Track Meet Won By "A" Company

THE inter-company track meet, which was held just before Easter, opened the eyes of many. Along with it some new material was found. This meet was one of the most successful of any of the inter-company meets ever held. It also was the first meet to be held on the new Eaton Field.

"A" Company turned the trick and walked away with the points. The closest company to them was "C," with 34 points. This was exactly 12 markers behind "A" Company. "D" was next in line with 27 points. "B" Company took the tail-end, getting only 15 points.

Fisher was high-point man in the meet, making three first for 15 points. He made a first in the high hurdles, low hurdles and broad jump. Templeton was second, dragging down two firsts. He made them in the mile and in the 880. Davenport and Tinsley tied for third with nine points apiece.

The following are the results of the meet.

100-YARD DASH—First, Davenport. Tinsley, tie, third, Brash. Time, :10 4-5.

220-YARD DASH—First, Tinsley; second, Davenport; third, Abt. Time, :24 1-5.

440-YARD DASH—First, Derris; second, Henry; third, Harms. Time, :59 3-5.

880-YARD RUN—First, Templeton; second, Anderson; third, McCrory. Time, 2:31 4-5.

MILE RUN—First, Templeton; second, McCrory; third, Anderson. Time, 5:26 1-5.

HIGH HURDLES—First, Fisher; second, Kerckhoff, D.; third, Hipple. Time, :19 1-5.

LOW HURDLES—First Fisher; second, Kerckhoff, D.; third, Niemann. Time 15 2-5.

SHOT PUT—First, Brash; second, Murphy; third, Mantz. Distance, 40 feet.

DISCUS THROW—First, Frank, M.; second, Hesley; third, Niemann. Distance, 100 feet.

JAVELIN THROW—First, Martinez; second, Duffin; third, Diemling. Distance, 126 feet.

HIGH JUMP—First, Sorency; second, Harms, Davenport, tie. Height, 5 feet 5 inches.

BROAD JUMP—First, Fisher; second, Derris; third, Stubblefield. Distance, 18 feet 10½ inches.

POLE VAULT—First, Lane; second, Bookout; third, Harms. Height, 9 feet 9 inches.

RELAY—"C" Company—Brash, Abt, Silva, Tinsley. Time, 1:45

HIGH-POINT HONORS—First, Fisher, 15; second, Templeton, 10; third, Tinsley, Davenport, 9.

Baseball

Top Row: Coach Holmes, Bailey, Parker, Moody, Jones, Cumberland
Bottom Row: Bruno, Murphy, Mantz, Smiley, Lang, Mosier, Aumon

ALONG with the first sign of spring came the first baseball practice under the able supervision of Captain Holmes. It was found that the team was going to be made up of practically all new material. Using what few experienced men he had, the coach built up a team that showed real Western fight. In spite of the fact that they were on the lesser side of the scoring they were always willing to put all they had into the game for their school. Much credit should go to Captain Holmes, as he made a real team out of raw material. Smiley, playing his third year at baseball, was elected captain by his teammates and, by the end of the season, he had proved his ability at this position.

Baseball

APRIL 18—W. M. A. 4, MCKENDREE 8

The season was opened with a defeat handed to Western by McKendree. It was probably due to Western's loose hitting, although Smiley showed excellent form in several of his catches.

APRIL 25—W. M. A. 12, COUNTRY DAY 5

The team showed a flash of the old glory by winning the league opener with a margin of seven points. Every man was playing to the best of his ability, while Murphy, the old reliable, knocked out a home run.

APRIL 28—W. M. A. 2, C. B. C. 11

Western was far away from the class of ball they had played the previous week. Undoubtedly it was an off day for every member of the team, as none of them played to the extent of which they were capable.

MAY 1—W. M. A. 7, MCBRIDE 12

In finishing the first round of baseball competition, Western lost to McBride. Although our team was beaten they played a good game. Murphy did some real hitting, while Sada performed remarkably well at the hurling position.

MAY 9—W. M. A. 16, CHAMINADE 14

Western won their first game with Chaminade by a close score. The high number of runs was due to the large amount of errors. Moody showed excellent pitching form, and Captain Smiley played a good, steady game.

MAY 12—W. M. A. 9, COUNTRY DAY 2

For the second time Western's nine met and defeated Country Day. With this victory our team was now past the 500 mark after spending some time below this point. The result of this game put new fight into the team.

MAY 19—W. M. A. 4, MCBRIDE 5

This game proved to be the most exciting of the season as the score indicates. The usual seven-inning game was not sufficient to settle the dispute between these two teams. Because of a tie the game continued for an extra inning.

MAY 26—W. M. A. 12, CHAMINADE 3

Captain Smiley led his teammates into the final game of the year against Chaminade, which resulted in a victory for our team. As it was the last game of the season every man was out to do his best and they did. The season was brought to a close with an excellent display of baseball by every member of the team.

Track

Top Row. D. Kerckhoff, Tinsley, Lane, Duffin, Brash, Lupt, Dennis, Mantz, A. Kerckhoff, Wilson, Daniel, Norman.
Middle Row. Anderson, Frank, McCrory, Fisher, Davenport, Abt.
Bottom Row. Hartung, Derris, Harms, Bookout, Martinez.

APRIL 18—W. M. A. 43, STAUNTON 87

WESTERN inaugurated its new athletic field with the opening track meet against Staunton which was taken by the visitors. As this was our first meet and the team was composed of practically all new material, we were handicapped as our opponents had many veteran men. But in spite of this, our team showed up well in all the events and that with a little more help from our able track coach, Captain Droste, we would have a real team. If the watches were correct Tinsley made the 50-yard dash in record time. Templeton won his two events while Davenport showed plenty of speed.

APRIL 21—W. M. A. 93, ALTON 29

The Red and Blue came back from their defeat and swamped Alton by the wide margin of 64 points. Every man was on his toes showing all he possibly had. Alton obtained only two firsts. Davenport ran the dashes in the best time shown so far during the year. In the 220 he again showed his speed while Abt and Brash were right at his heels. The team now exposed the fact they were going to put in their bid for the league championship.

APRIL 25—W. M. A. 91, GRANITE CITY 39

The result of this meet proved that their ability shown last week had not been instantaneous. Western outclassed their opponents throughout the meet. Templeton, as per usual, took his two events with the best time he has shown this year

LEAGUE TRACK MEET

MAY 12

W. M. A. 73, COUNTRY DAY 46

PRINCIPIA 18, JOHN BURROUGHS 9

With this victory things began to look exceedingly bright for the Prep League championship. The Westernites scored as many points themselves as the other three teams together, which is no mean feat. The toughest break in the day came when Brash lost the shot-put event by a half inch, but the distance was near to record breaking. This meet was the first of the new league of which our school is a member.

MAY 19—W. M. A. 87, PRINCIPIA 35

Western's team swept through this entire meet with every first place with the exception of one event. The winning of this meet brought back the Western-Principia trophy which had been away for quite a long time. Tinsley equaled the school record in the 100-yard dash while Dan Kerckhoff, the captain of the team, performed the same feat in the low hurdles.

MAY 24—PREP LEAGUE MEET

The fourth annual Prep League track meet resulted with Western as runners-up, losing first place to St. Louis University High by the close margin of seven points. Six of the league records were broken at this meet and two of them by Western men. Dan Kerckhoff, the captain, cut down the low hurdles time by four-tenths of a second. The other new record that Western captured was in the relay. Abt, Derris, Davenport and Tinsley, who composed the relay team, bettered the old record by four-tenths of a second.

As a result of this victory by St. Louis U. High, the Lane trophy goes to them for the second time and they only need it once more to gain it permanently.

The Pageant and Dedication of Eaton Field

THE year 1928 marked one of the most outstanding events that has ever happened at Western. On the fifth of June, Eaton Field, in honor of Col. Eaton, was dedicated. To celebrate this event of events, a military pageant, the first ceremony on the new field, was held. The pageant depicted the history of Illinois from Indian times to the World War This was followed by the last parade of 1928—and the first parade on the new field.

EPISODE VII—FINALE

FINAL BATTALION DRESS PARADE

Senior Play, June 4, 1928

WHEN one speaks of the Senior Play, he is speaking of one part of commencement that is enjoyed most by all. The presentation of the three-act play, "So This Is London?" marked one of the best "hits" that Western has ever produced. They say talent is born, not acquired, but in the case of our best actors it was neither - it was found. Kanchuk, in the part of Hiram Draper, Sr., was exceptionally well acted. The rest of the cast, too, did their parts well and were well received by the audience.

Baccalaureate Service, June 3, 1928

CONTRARY to the plans of previous baccaulaureate exercises, services were held in the Drill Hall. Yet one must not think that the innovation detracted in the least from the beauty and solemnity of services. The splendid address, together with the capable rendition of the musical numbers, will long be remembered.

Commencement of 1928

COMMENCEMENT is a time of joy and sorrow. We are happy to think that another peg in life's highway has been reached. What a sorrow comes to the graduate as he hears the quartette sing "Goodbye." A tear comes to his eye as he thinks of the friends and classmates he is leaving behind. Truly, commencement is not an event to be forgotten.

Valedictorian

RICHARD J. DUFFIN

Home Chicago, Ill.
Entered September 1925
Upper Ten 1927 28
Corporal 1928

Those of us who were really intimate with "Duff" can testify to what a fine fellow he was. He was a real student, but not a grind. A run, a swim, were just as much his work as Senior Lit. He is the type that succeeds, and we are awaiting anxiously to see whether Duffin does not make "A's" in college

Plain, trustworthy, and manly. That was Mindel. He was a worker and a hustler as well as an athlete. Together with these fine qualities, he was a real fellow. "Min" was the kind of friend a fellow wanted to know when he needed a real friend. He was a fine example of a true Western man.

Who didn't know "Duke"? He was one of the best liked fellows on the campus. He helped us in every way possible, from putting us on the Honor List to getting girls for the dances. He will long be remembered at Western.

Stand Up and Cheer

Stand up and cheer—
Stand up and cheer for dear old Western.
For today we raise
The Blue and Red above the rest.
Our boys are fighting.
For they are bound to win the fray.
We've got the team—Rah! Rah!
We've got the steam—Rah! Rah!
For this is dear old Western day.

RECALL

Ye scribes, and solemn witness bear
To all the world that men may quote
Thy words, and e'en thy story share
Give every word a subtle thought,
And couch within its mystic folds
The love, which passing years have wrought,
Which still our bosom fondly holds.

RECALL

The tales we yearn to hear and give
Each scene a tongue whereby to state
Its chapter in the book we live
Of life; preserve therein our lore
For dear old Western's love, lest time
May take us broadly distant, where
Her sight is lost in foreign clime

THE capable direction of Captain and Mrs. Porter, together with the added interest shown by the various members of the organization, has done much to perfect the work of the Orchestra. Whenever they have appeared before the corps, favorable comment has been the result.

To this year's dance committee goes the credit for making the dances as enjoyable as they were. The work of this group of cadets is really very important, although it is really a silent job. This group must supervise the decorations, the sending of invitations, and assist in the introductions and management of the dance. In addition to this Senior committee is a group made up of Juniors. The Junior committee consists of Hightower, Flannery, Eckardt, Cassett, Stough and Morcom. The complete list of the dances given follows:

Saturday, November 3, 1928 . .	Matinee Dance
Thursday, November 29, 1928	Thanksgiving Formal
Saturday, January 26, 1929 . .	Matinee Dance
Friday, February 22, 1929	Washington's Birthday Formal
Saturday, March 16, 1929	Inter-Fraternity Formal

Glee Club

DURING the course of the year, the Glee Club has made its appearance many times before the corps. Needless to say, each time the cadets received the numbers with added appreciation. To Captain and Mrs. Porter goes much credit for the creditable showing made.

Prep League Football

THE first call for football came immediately after the return from summer vacation. There were several lettermen back from the former year around which Coach Garetson built his team. The Red and Blue never showed its real fight and ability till they played their last game against their local opponents whom they completely swamped. In spite of hard breaks, Western ended up in the Prep League by taking first honors by percentage and tying up by the Lane Trophy ruling. As a result of this, the winning of the league title does not count in the winning of the trophy. Andros, elected captain, ably handled this position which was placed on him by his team-mates.

OCTOBER 6—W. M. A. 7, COUNTRY DAY 0

Western opened its season with a victory over Codasco. Every member on the team played an excellent game and showed up like a championship team, though their opponents were one of the strongest teams in the league. Silva showed some real football by returning the punts a good number of yards, while Brash, in the line, played a nice game.

Prep League Football

OCTOBER 12—W. M. A. 0, CLEVELAND 12

The first setback was handed to Western by one of the most powerful teams in St. Louis, namely, Cleveland. Although our team put up a real fight, the opponents came through with two touchdowns. Derris played his regular game by getting down under the punts before the ball got there. Hesley showed wonderful form in his kicking.

OCTOBER 20—W. M. A. 0, PRINCIPIA 0

Perhaps this game was the hardest-fought of the entire season. Neither team would give in and both were playing real football. As a result the game ended in a scoreless tie, as neither team would let the other show any superiority. Smiley was the principal man on the offensive.

OCTOBER 26—W. M. A. 6, C. B. C. 6

The Western team did not seem up to their actual playing ability and lacked the drive and fight they had shown in their former games. Although our team outclassed the C. B. C. team throughout the battle, we put up a real fight and the game ended in a tie. Hirschfield did some nice work in returning the punts, while Davenport showed his sprinting ability in his wide end runs.

NOVEMBER 2—W. M. A. 9, MCBRIDE 0

With this victory Western was in line for the Prep League honors. The sensational moment of this game came when Johnston grabbed a fumble and sprinted eighty yards for a touchdown. Smiley made a beautiful field goal from the 26-yard line. Andros, the captain, played a nice game at the end position.

NOVEMBER 10—W. M. A. 0, ST. LOUIS U. HIGH 0

Although the game ended in a scoreless tie, Western, throughout the entire game, showed its superiority. Hesley was the principal yard gainer of the game, while Houlle and Brash did their good work on the defensive. Practically every man in the line played his best game.

NOVEMBER 17—W. M. A. 0, PRINCIPIA 6

It was a tough game for both teams, but Principia seemed to get the breaks and as a result the game ended with the opponents on top of the scoring. The punting was hindered by a strong breeze, keeping the kicks from averaging more than ten yards. Thompson and Hirschfeld both showed up well all through the game.

NOVEMBER 29—W. M. A. 37, ALTON 0

Western's old rivals were defeated by the largest score ever run up against them by a Red and Blue team in any of the previous years. Three different teams were used against the Altonites and even the little "B" class team scored a touchdown on the local opponents. All three teams played the best football they had executed through the entire season. It was especially noticeable in the playing of the Prep team as it was the last game in prep school—for many of them and for Western.

IN spite of the hard luck that jogged along at the heels of the basketeers throughout the entire season, they had quite a successful year in one sense. If a team is not capable of winning a championship it can at least perform in a sportsmanlike type of play, which our team exhibited in very excellent manner. This fact was so noticeable at Canton that the spectators even commented upon it. Captain Brash led his team into their games to win if possible, but only in a fair, sportsmanlike way, and if they lost they were the best of losers. When the "plebes" became eligible, a new team appeared on the roster and they looked as though by next year they would be a championship team. We wish them the best of luck in 1929-30.

Prep League Basketball

DECEMBER 15—W. M. A. 31, STAUNTON 28

The Western quintet won their opening game by a close margin of three points. Every man displayed real ability. Smiley was high-point man.

JANUARY 12—W. M. A. 17, ST. LOUIS U. HIGH 24

Western's cagers were defeated in their first league game mostly because of their visitors' superior basket-shooting ability. Hesley and Bruno featured on the offensive play.

JANUARY 18—W. M. A. 19, MCBRIDE 25

The Red and Blue basketeers were again faced by hard luck when they were downed by the McBride five by only six points.

JANUARY 23—W. M. A. 20, COUNTRY DAY 28

In a last-minute rally Western attempted to win from the Codasco five, but it came just a little too late, as they had too large a lead in scoring. Bruno showed up well on the offensive play.

JANUARY 26—W. M. A. 20, PRINCIPIA 24

The soldiers fell before their old rivals after an exceedingly exciting over time period in which Principia made their extra four points to win the game. A close score prevailed throughout the entire game.

FEBRUARY 2—W. M. A. 31, C. B. C. 49

The Western quintet held their opponents to practically a tie until the second half, when the visitors staged a scoring rush.

FEBRUARY 6—W. M. A. 41, ALTON 17

Practically a new team appeared on the floor to face the local rivals. We had perfect co-operation and completely swamped Alton High. Meier was the outstanding man on both offensive and defensive play.

FEBRUARY 13—W. M. A. 5, ST. LOUIS U. HIGH 12

There was an unusual low score in this game due to the strong defensive play of both teams. W. Smith did a great deal for this guarding work.

FEBRUARY 20—W. M. A. 17, MCBRIDE 23

McBride took the lead in the first half with an advantage of ten points. The Western five could not overtake them in the remaining time, although they displayed plenty of fight to do so. Meier, as usual, played an excellent game.

FEBRUARY 21—W. M. A. 15, CANTON 28

Western's basketeers made a nice showing against this team, considering the fact that they were runners-up for the national championship last year. Western made their opponents look worried at several times. Silva, playing for the first time with the prep league team, showed up on the defensive play.

FEBRUARY 23—W. M. A. 17, PRINCIPIA 24

This was an extremely interesting game, as it was hard fought, with both teams playing to their utmost ability, but the Red and Blue seemed to weaken in the last few moments.

FEBRUARY 26—W. M. A. 21, C. B. C. 29

Western made a better showing against the C. B. C. team this time than last when they were defeated by eighteen points.

MARCH 2—W. M. A. 36, COUNTRY DAY 22

The Red and Blue quintet closed their season with a victory over the Codasco aggregation. The Cadets seemed to be overflowing with the necessary fight and pep that they had formerly lacked. It was undoubtedly due to the fact that it was their last game. Meier again took the honors for being high-point man, while Bruno ran a close second.

Bottom Row: Capt. Holmes, Calhoun, Blumenfeld, Meier, Dempster, Bonhomme, Stough, Niemann.

THE "A" class football team, coached by Capt. Holmes, is composed of men ineligible for the Prep team and others not far enough advanced in the line of football. To this squad goes much praise for their very successful season. Meier at left end captained the team in such a faultless manner that we only hope "ole" Bill will be back with us next year on the varsity. From end to end this line was composed of aggressive and "never-say-die" men. The back field, composed of some of the very best men, was one of the best back fields ever produced by Capt. Holmes. Calhoun, A. Miller and N. Smith carried the brunt of the attack, while W. Smith at quarterback did all the kicking and passing in fine style, as well as guiding the team with real generalship.

A GLANCE at this team's record will speak for itself. Coached by Capt. Holmes, also Prep Squad Coach, these men were able to gain the experience necessary to make them champions in their class. They not only gained experience but afforded wonderful opposition for the "varsity." Jerry Hirschfield, captain of the "A's" was a very capable leader, always full of fight and "ginger." Schmidt and Craycroft took good care of the forward positions on both offense and defense. Very seldom did "Ole' Lon Niehaus come up against a man that could out-jump him at center. H. Dreimeier was Hirschfield's running mate at guard.

The "Prep" team next year will receive some valuable material from these men and may each fit in next year on his team as well as he did this year.

"B" Class Football Team

THE "B" class football team, coached by Capt. Droste, were champions in their class. Playing in a machine-like manner the "B's" won all but one of their games. They were probably the best coached team on the campus and in the near vicinity. These men, now small of stature, will next year be the main cogs in both the Prep and "A" teams. With a background such as they received under Capt. Droste, they can be nothing else but real football players as they grow older and larger in their final two years at Western.

Fulmer, the proud captain of the "B" team, was stationed at quarterback and filled this coveted position favorably. Schmidt and Altman did most of the ball carrying and performed it in fine style as their scores indicated.

AGAIN the "Bees" turned out a successful team. Led by Capt. Silva, who has played for two successive years, and R. Baker, they have attained a record of which they are proud. Fulmer, at center, was of great assistance to his forwards on the offense and his guards on defense. Funsch, at standing guard, seldom allowed an opponent to slip by him for a set-up. Altman played a steady game at left forward and did his share, if not more, in scoring.

Capt. Droste developed not only five men to bring him a championship, as a reward for his faithful coaching, but a squad of fifteen men. These men were taught the fundamentals that are absolutely necessary to become real players. In the years to come they need not worry about small things but need strive only for perfection.

CAPT. DeMINT'S "big little men" showed some of the best brand of football ever shown by players of this size and age. The fact that they were weighed by every one of their opponents makes their record more striking. The "Red Devils," called so because of their bright red jerseys, gave a wonderful exhibit of good coaching. The Devils played real modern football, even going beyond the other teams in school with their trick plays and passes.

Praise should be given Captain Butler for his all around playing. Skillern at quarter and Cohen at fullback show signs of becoming football stars. The line, light but furious, did good work in breaking up plays as well as getting down fast under punts.

THE honor of winning a championship and not losing a game goes to the big little men of "C" Team. They can boast of a record that will be hard to equal. In nine games they have averaged 37 points per game to their opponents' 7. In all their games passing and teamwork prevailed. The ability to use a number of different combinations without slowing down was a bright spot in their play.

Silva, captain and forward, was high scorer of the year. C. Martin and Wilson kept their captain always on the run if he wished to remain at the top. The work of Hursey at standing guard was very commendable.

Capt. DeMint should be more than proud to have assembled such a group of fellows who were as great in sportsmanship as they were in basketball.

Swimming

THE swimming team this year has shown a marked improvement. Out of the four meets held two were victories for the cadets. Since many of the members are Juniors, the prospects for next year appear to be very good. Darner, the captain-elect of the 1929-30 team, gives promise of a very successful season. Comins as manager and Robert Wilkinson, Jr., as coach have contributed to the success of the 1928-29 team.

The team won most of the matches fired, and were never beaten by a large score. There were many excellent shots on the team and these men helped the poorer shots to develop into championship material.

The Band

THE band this year seems to be about the best, for its size, that Western has has ever had. It has entertained the cadets by playing in morning chapel many times and also by playing for the basketball and football games. Combined with Shurtleff College Band, the Western Band played Chritmas carols on the campus of the college. In athletic competition the band has continued to hold up the previous records by finishing a close second to "A" Company in the inter-company swimming meet

CAPTAIN WATSON and last year's "B" Company won the honor of being the best drilled company at commencement. Captain Harms and Lieutenant Moody have been trying to repeat this performance in the present year. Thus far, "B" Company has been among the leaders in military and athletic competition. Captain Harms picked out a very strong baseball team which easily won the inter-company league championship. This company has as its representatives on the Rifle Team H. "C" Company

AS a winner in military and athletic competition, "C" Company stands among the leaders. With Captain Murphy and Lieutenant Smiley lending a guiding hand this company is fast approaching the high standard set by Captain Slater and "C" Company of last year.

The spirit shown by the commissioned and non-commissioned officers, as well as the privates in "C" Company, has been of the first water, and if they do not give the other companies very stiff competition for the highest honors at commencement, it will be because of a sudden reversal of form. Upholding the name of "C" Company on the Rifle Team, Murphy is doing his best

UP to this time, "D" Company has shown the best progress of all the companies. Although they have been beaten by other companies in competitions, "D" Company is consistent in their efforts and always rank second or third when not first. Much of the credit for this very able performance is due to the commissioned and non-commissioned officers, especially Captain Sherwood and Lieutenants Burnstine, Thompson and Niemann. At the first inter-company competition, "D" Company had the best squad in the battalion. This company is considered at the present time to be the most efficient of all in the manual of arms. On the Rifle Team "D" Company is represented by H. Thompson, MacDonald and Summers.

"E" COMPANY is being drilled and managed very capably by Corporal Martin and First-Class Private Albrecht, A. This company, organized four years ago for the benefit of the smaller members of the corps who are for the most part students in the Grammar School. At the end of the year these cadets are able to execute the movements of the manual of arms, with the wooden rifles made expressly for their use, and to drill in close order almost as well as the cadets in the other companies of the corps.

Features

"The essentials of good character are Honor, Loyalty, Courage, Self-control, Kindness, and Morality. They are by-products of everyday life. The cadets are taught to do things, and the manner of their doing, as well as the results accomplished, bring rewards and encouragements which stimulate to further efforts and higher principles."

DEC. 11—Corps is entertained by Mrs. McAdams and Mrs. Keller. They enact some very clever and amusing sketches. Special Order No. 1 is published. Appointment of cadet officers.
DEC 15—The weather is starting to take on the atmosphere of winter. A bit of mild cold—just enough to enjoy.
DEC 19—Last uptown privilege of 1928 is enjoyed by the cadet corps. Most everyone thinking of home—only two days away.
DEC 21—Exams in all subjects for the cadets, but none of them seem to mind them a bit. By four o clock there will not be any cadets remaining in school except those who live too far. Here's to a very Merry Christmas and a very Happy New Year

JANUARY

JAN. 7—Christmas vacation ends. A lot of sleepy-eyed arrive to take up their work with renewed enthusiasm. Jack Frost prevails in all his winter glory.
JAN. 8—Work starts off with one BIG BANG. Seven calls of full classes keep the cadets on their toes. Basketball team starts its new year off right with a scrimmage with Shurtleff College.
JAN. 10—Too bad, the basketball team takes a licking at the hands of Alton High. That's all right, ging, we'll avenge this defeat.
JAN. 12—The basketball team shows fine spirit and fight in the St. Louis High game. Too bad it was a loss. Better luck next time.

Kadet Kalendar

JAN. 15—This week brought to Western two very good lectures. One was delivered by Dr. Stott, a famous boyologist, and the other by Mr. Rousch of Chicago University, a football star, a Phi Beta Kappa man, and a fine speaker.

JAN. 19—Although our first team lost to McBride yesterday, 24-18, our other three teams came back strong today with a "tri-victory"; "A" class running over John Burroughs 28-7, "B" and "C" classes whipping Country Day 32-17 and 25-9, respectively. One fine day of real basketball.

JAN. 23—Too bad, the Prep team plays an excellent game but loses to Country Day 29-21. Better luck next time, gang.

JAN. 24—Four teams go to Principia to win fame for Western. Too bad, but the Prep team loses 24-20. But "A," "B" and "C" teams avenge the defeat with a tri-victory 16-19, 20-35, 13-43. One great day of real athletics.

JAN. 28—Everybody studying very hard as the mid-semester exams are on the first and second. Study, men, study——yes——STUDY.

JAN. 31—Study harder if we expect to pass. The mid-semesters are cracked up to be hard and they live up to their reputation. Come on, Seniors, come on Corps, let's pass them.

FEBRUARY

FEB. 1—The new month dawns on us with a load of work, exams—exams exams. The first five periods will have exams today, the remaining two tomorrow. Good luck, fellows.

FEB. 2—All over. Thank goodness! And now a restful week-end can be enjoyed by all, with the exception of the faculty.

FEB. 6—Western declares its revenge on Alton High to a thrilling victory of 41-12. The cadet corps attend this great game en mass, backing their team thoroughly. It was fine work on the part of both cadets and team.

FEB. 8 and 9—Furloughs—a nine-letter word meaning joy for the lucky ones and despair for the not so fortunate: about 200 cadets leave the academy. Some, who live more distant, on Friday; the remainder on Saturday.

FEB. 11—Ow! Ow! Is it blue Monday? Ask the furlough men; they know all about it. They believe that Monday should be declared a day of rest and sleep. Do we agree? We certainly do.

FEB. 12—Once more this month of holidays brings to us the birthday of the great Emancipator, Abraham Lincoln.

FEB. 14—Likewise February brings to us the birthday of Dan Cupid, St. Valentine's Day. The cadets are in for a share of Valentines.

FEB. 18—The Recall Staff holds a meeting to discuss the various bids for printing the yearbook. Some fine work is shown by the publishers.

FEB. 19—Again the staff meets; this time to select the publisher and also to choose the men for the Hall of Fame.

FEB. 22—The birthday of the father of our country was celebrated with due ceremony. The program, an inspection by some officers from Jefferson Barracks, a concert by the Filipino orchestra, Mrs. Murphy's famous Washington birthday dinner, uptown privileges, and last but not least, the Washington's birthday formal dance. Oh! what a day!

Kadet Kalendar

FEB. 28—Thus the shortest month of the year is not necessarily the dullest Look at February at Western.

MARCH

MARCH 5—Basketball season closes with a good line of victories for all teams. The 'Prep' team finished its score with 3 victories and 12 defeats, the "A" Class with 4 victories and 3 defeats. The "B" Class team were champions of their class, winning 12, losing 2. Likewise was the "C" team, winning 12, losing 2. A fine record.

MARCH 10—Western wins third place in the 6th Corps Area Rifle Matches. We were preceeded by the Waukegan and Joliet High Schools. Our record is one of which we are proud.

MARCH 13—The first field problem of the year is held. It was an advance guard problem, which went off in good shape.

MARCH 14—A very interesting talk on aviation was given by Lieut. Kehoe, a member of the Marine Corps and an aid to Col. Lindbergh. He spoke of the prospects for aviation as well as his experience.

MARCH 16—The Phi Alpha Omega's, the Delta Sigma's, the Phi Delta's, and the Delta Phi Omega's hold their annual inter-fraternity dance. It was a beautiful and very lovely affair

MARCH 18—Baseball season opens with numerous and good prospects turning out This afternoon they went through a grilling practice, but not strenuous enough to injure them.

MARCH 21—The first day of spring and spring, too. Warm and balmy.

MARCH 23—A very interesting lecture by Bennett Doty of the French Foreign Legion. He told of their many battles, trials and tribulations.

MARCH 24—The first parade of the year, with white ducks—a good one, too.

MARCH 27—The third field problem is one in attack and defense. It was made interesting by dummy cartridges and blank shells.

MARCH 29—Lieut Seebre announces that Government Inspection will be held on the first day of May. That leaves about one month of intensive drill in which to prepare for it.

APRIL

APRIL 1—The new month arrives. With it comes the realizations of spring fever

APRIL 2—Another beautiful day. Guard mount and company baseball.

APRIL 3—Tent pitching begins. Schwartz and Mills address Alton High. The Glee Club sings.

APRIL 4—The days fly by Soon the government inspectors will be here.

APRIL 5—More drill and inspections.

APRIL 6—Post Easter dance. A good affair.

APRIL 7—Rain! Rain! Rain!

APRIL 8—Alton High musical groups visit us.

APRIL 9—"Exams" in competition. English and Latin.

APRIL 10—McKendree 65, W. M. A. 57

APRIL 13—Furlough begins. Boy! Boy!

APRIL 15—Classes resumed.

APRIL 17—The Recall goes to press.

Lectures, Lecturers and Entertainments

THE year 1928-29 marked the appearance of several interesting numbers to the lecture platform. The appreciation of the faculty and the corps for the worth-while entertainment indicates the high type of talent presented.

On December 11th, Mrs. Rhea MacAdams, assisted by Miss Fanny Keller, entertained the corps with a group of readings. Mrs. MacAdams, an instructor in dramatics and public speaking at Monticello Seminary, is a reader of unusual ability. Miss Keller was well received as a pianist. The program given was:

"Home Work" — *Cornelia Skinner*

RHEA MACADAMS

January 15th, Kenneth Rousch, assistant line coach at the University of Chicago, gave a very interesting as well as helpful talk on sportsmanship.

The George Washington birthday celebration included a concert given by the Filipino Orchestra. Native as well as popular selections composed an excellent program.

Lieutenant Kehoe, a member of the Marine Corps, and an aid to Colonel Lindbergh on his air tour of the United States, addressed the members of the academy, March 14th. His discussion of the present and future conditions of aviation was highly educational.

The last number on the lecture program came on March 23. Bennett J. Doty, a foreign member of the Foreign Legion, the army of living death, gave the most graphic portrayal of the experiences and adventures encountered in the service. The originality, together with the unusualness of the subject, made him an impressionable speaker.

MILITARY

After orders had been published we found the Phi Delta fraternity very fortunate by having every eligible member holding a rank of corporal or better. Niemann was given the award of adjutant. Dobyne followed later by successfully filling the rank of cadet captain. Hightower was given the position of the highest ranking first sergeant. Darner blew his way to a sergeancy in the band, while the other eligible men, Comins, Bruno, Martin and Johnston held down offices as corporal in the order named. On this year's rifle team we were represented by Comins, Derris and Dobyne (captain). All in all, the military record established by this fraternity is one of which we should be proud, as well as one which we should maintain.

ACADEMIC

Phi Delta has been represented on the Honor Roll by Hightower, Martin, Bruno and Rossborough. Hightower, Martin and Niemann represented up on the Upper Ten.

ATHLETICS

During the football season, Phi Delta was represented on the Prep team by Jimmie Derris, all league center, and Bruno and Johnston. Under the capable coaching of Captain Holmes and his Class A team Rossborough, Dye, Niemann and Niehaus upheld the fraternity standard, while Hightower played a good game as a back on the "B" class team.

After the pigskins were packed away, basketball season started, and Phi Delta came through with flying colors playing Bruno, Derris and Johnston on the Prep basketball squad. On the "A" team Neihaus and Dye upheld Phi Delta. Then Red Martin supported the "C" team by being high point ace for the Demintmen. Bruno recently was elected next year's basketball captain.

On the swimming team, Phi Delta placed Rossborough and Darner, the captain-elect, for the coming swimming season.

Last year Phi Delta was represented on the track team by Niemann and Davenport. No doubt they will show up very well this year.

SUMMARY

Throughout the entire year, Phi Delta has been active in every project that has been placed before them. This is a record for the chapter of next year to aim at and even try to better.

Therefore, we, James Bell Dobyne II, Walter Rossborough, Herbert Niemann and J. R. Johnston, take this space to wish the coming officers and members, whom we have spent the past year with, every success in aspiring and bettering the record of fraternal brotherhood which we have done our best to set as an example.

Here are a few scenes and faces familiar. Snow scenes with the "Cadillac."

Capt. Droste looks over the situation.

Drill period and Smiley dressed in his best as well as in recreation clothes. "Lon" is preparing for a jump. Harms didn't get the "letter."

Here's to Ed! Good luck to him. Stock (left) is bidding sergeant good-bye.

Mr. Reber poses for us, too. His many years of service deserve recognition.

Mingled Flavors in Coffee

"Of the good things we have tasted in our lives," says a noted authority on foods, "most of us recall one or two most vividly of all—certain dishes in which we encountered a blend of flavors so enticing, so masterly that we cannot forget them.

"Back of the keenest pleasures of the table," says he, "whether in sauce in a salad or a cup of coffee, lies always the work of some talented person who has joined taste with taste as a composer joins note with note in working out his harmonies."

Numberless people who know the fine points of good living have long since set a high value on this art of blending—and perhaps in coffee most of all.

With hundreds of grades and kinds of coffee on the market, the discriminating public singles out one brand that combines many mingled natural flavors. And to such coffee this often styled "fickle" public is never fickle. Once such satisfaction in coffee is found, they stay with the same blend year after year. It is not for those who are now content with a coffee they have searched for and finally found, that we mention Dining Car Coffee, but rather for those who still search ing, have never yet found their perfect blend. There are thousands of people who all their lives have been drinking coffee made elsewhere without even giving a trial to a much better flavored blend made at home.

We do not urge that you at once desert your present coffee. What we do say is that in all fairness you should try, for at least a week, "Dining Car" coffee, a product of the Norwine Coffee Co. We venture to predict that if you do so, many of you will demand nothing else from now on. For the writer it is "Dining Car" coffee, always.—*Ed. Carondelet News.*
